

2017—2018
Directory of Child and Youth Services
in the Brown County Area

**United Way of the
Brown County Area, Inc.**

Dear Parents,

United Way of the Brown County Area is happy to supply this directory to you. In it you will find information for a variety of health services, preschool and daycare options, as well as constructive activities and resources for your children during non-school hours. Additional information regarding school sponsored programs can be obtained by directly contacting your school district.

Financial assistance is available for many of the activities listed. Contact the organization for details on specific program fees and financial assistance.

United Way of the Brown County Area can also provide scholarships to young people age 4 to 18 whose family income is insufficient to meet the activity and equipment fees and who are unable to get assistance through other scholarships. Go to our website www.unitedwaybrowncountyarea.org, click on United Way programs and scroll down to Youth Activities Scholarship Program to get all the details or call the United Way office at 507-354-6512.

We have tried to include as many options as we had information for but please provide feedback on additional opportunities that can be listed in future editions.

Need more copies of this Directory?

DID YOU KNOW?

Properly disposing of medication helps keep it out of the hands of our youth while ensuring that its disposal is not harmful to the environment.

The Brown County Underage Substance Abuse Coalition (USAC) has worked to develop a program to help properly dispose of Prescription drugs in order to help keep them out of the hands of our youth and to prevent unused or expired prescriptions from being abused.

Place your medications in the secure collection boxes at these locations:

Brown County Sheriff Department - Open 24/7
15 South Washington Street, New Ulm
507-233-6700
